Dear Ms. Martin:

My apologies for addressing you as "Mr." and thank you for setting the matter straight.

Dr. John Lattimer was the first person outside of government to see the Kennedy autopsy photos and X-rays, so the statement in his ad is correct.

Again thank you for your expression of concern and sympathy. I appreciate it very much.

Now that the holiday season is upon us, I hope that you will have a happy and healthy one.

Sincerely,

Harold Weisberg
